PETITION TO WITHDRAW NOTICE OF ABANDONMENT

Under 37 CFR §§1.8(b) and 1.181, applicant hereby petitions to withdraw the Notice of Abandonment mailed August 11, 2006 (copy enclosed). The application was said to be abandoned under 37 CFR §1.135 for failure to respond to an Office Letter we never received said to have been mailed May 15, 2006, after we paid the issue fees.

The Notice of Abandonment states:

This application is abandoned in view of:
Applicant's failure to timely file a proper reply to the Office letter mailed on 05/15/06.

The aforementioned Office Letter said to have been mailed May 15, 2006 was never received. A thorough search of the mail logs and docket records was conducted.

The following documents are submitted as proof that the Office letter said to have been mailed May 15, 2006, was never received:

1. A copy of the transactional history, published on the USPTO Patent Application Information Retrieval (PAIR) site failing to list any transaction on May 15, 2006; and
2. A declaration by Janine M. Goodwin, Senior Patent Docketing Specialist.

The undersigned, applicant's attorney of record, first became aware of the abandonment on August 17, 2006, upon receipt of the Notice of Abandonment and submits that this petition to withdraw the Notice is being promptly submitted as required by 37 CFR §1.8(b)(1).

DECLARATION OF JANINE M. GOODWIN

I, Janine M. Goodwin, declare as follows:

1. I have been employed by Fish & Richardson P.C. since September 4, 2000, as a Sr. Docketing Specialist in the Patent Services Department.
2. When mail is received by Fish & Richardson P.C. from the U.S. Patent and Trademark Office ("PTO"), the mail is scanned into the Fish & Richardson P.C. electronic mail system, which electronically routes the mail to the Docketing Department and to all attorneys affiliated with the case. The mail is docketed in the Fish & Richardson P.C. computerized docketing system from the electronic image. The hardcopy original mail is sent to the Records Department for entry into the file.
3. According to our docket system the case identified as U.S.S.N. 09/966,484 filed September 28, 2001 corresponds to client/matter number 13076-002001.
4. I have checked our computerized docketing system and found that the PTO correspondence allegedly mailed May 15, 2006, concerning the above-captioned case was not entered or docketed.
5. I have checked our electronic mail log for the period of time from May 15, 2006 through June 15, 2006. If we had received a PTO action for application number 09/966,484, I would expect to see an entry in the mail log which would include the date received, the Fish &

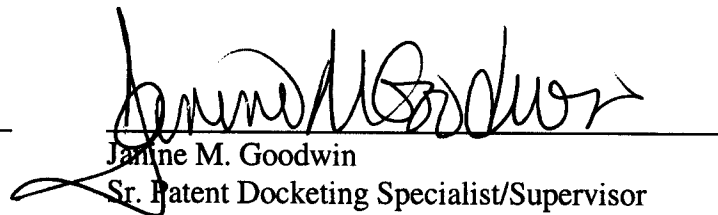

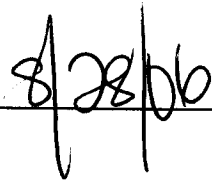

Richardson reference number, and the base date of May 15, 2006. There is no record of ever receiving the action allegedly mailed May 15, 2006. I believe Fish & Richardson P.C. did not receive the office action allegedly mailed May 15, 2006.

6. I also checked copies of our docket printouts showing docketing deadlines occurring on July 15, 2006. For application U.S.S.N. 09/966,484, if we had received an action dated May 15, 2006, I would have expected to find the docketed due date of July 15, 2006 for response to the action. I did not find such a docket entry in the docket printout for July 15, 2006.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.

Respectfully submitted,
